

Master of Science in Instructional Design

Degree Awarded: Master of Science

Requirements for the Degree: 33 semester credits

Required Courses:

	Course	Title	Credits
	INSD 505	Introduction to Instructional Design	3
	INSD 510	Theories in Instructional Design and Learning	3
	INSD 515	Current and Emerging Technology for Instructional Design	3
	INSD 520	Integration of Technology into Instructional Design Process	3
	INSD 525	Statistical Analysis of Learning	3
	INSD 530	Web Design	3
	INSD 535	Assessment of Learning	3
	INSD 540	Systematic Design of Instruction	3
	INSD 545	Implementing and Assessing E-Learning Solution	3
	INSD 590	Comprehensive Portfolio	0
	INSD 595	Experiential Learning Capstone Project	3

Choose one elective:

	Course	Title	Credits
	INSD 550	Project Management	3
	INSD 555	Facilitation of Learning	3
	INSD 560	Multimedia Design	3

All courses above will be counted in computing the 3.0 GPA required for this program. No more than two grades of C+, C, or C- can apply to the degree.
