

Elementary Education (K-6)

Degree Awarded: Bachelor of Arts

Requirements for the Major: 67-68 credits plus 24-29 credits for one additional endorsement

Students who are interested in Elementary Education (K-6) must earn a minimum 3.0 GPA in a prescribed liberal arts pre-education program and have a minimum 3.0 cumulative GPA before they are formally admitted to the teacher education program of the University. (See Pre-Education Program and Application for Admission to Teacher Education in sections of the catalog).

Elementary Education students must earn a minimum 3.0 GPA in coursework required for the major and a minimum 3.0 GPA in coursework required for each additional endorsement. A grade of B or above must be earned in designated courses, and students must earn a grade of C or above in all other courses required for the major, each endorsement, and prerequisite courses. Students must earn a minimum 2.5 cumulative GPA in all college work. Any request for a change in the sequence of curriculum for the Teacher Education Program must be submitted to the Education Department chair for consideration by the Education Department faculty. Successful completion of these requirements and all other University graduation requirements will lead to program completion, which is required for recommendation for licensure in most states including Iowa.
