January 6, 2025

Registration is open now for the ISL Education Lending Scholarship. Encourage visiting high school seniors and undergraduate college students to enter for a chance to earn one of 45 \$1,000 deposits into an ISave 529 (formerly College Savings Iowa) account.

About the Scholarship

The scholarship program is open to Iowa residents who are either:

- Iowa high school students.
- Undergraduate college students.
- Parents or guardians of, or others who hold an ISave 529 account benefiting, an Iowa high school or undergraduate college student.

Students and parents or guardians who registered for the fall registration period are eligible to register for the spring registration period.

Online registration is simple. Your students should:

1. Visit www.IowaStudentLoan.org/1000forCollege to register between January 6 and March 31, 2025.
2. Provide basic contact information for themselves and their parents or guardians.

After registering, students may continue to read three quick college planning and financing tips and answer a multiple choice question on each.

For the remainder of the scholarship period, registered students receive emailed information on college planning and financing.

Forty-five winners will be drawn from eligible high school, college and parent entries in April. Each winner will receive a \$1,000 deposit into an ISave 529 account.

Additional Chance to Win

Each student may enter themselves only once per program period, but a parent or guardian, or another adult who holds an ISave 529 account naming the student as a beneficiary, may enter on their student's behalf once per program period.

Promotional Materials Available

Use the enclosed fliers to make students aware of the scholarship.

Questions

If you have questions, please email scholarship@studentloan.org for more information.
