How Chapter 35 GI Bill® benefits work

GV SCO will submit your enrollment about a month prior to the start of the semester in Fall and Spring terms (Fall and Spring are automatically certified after receipt of Certificate of Eligibility; Summer terms require annual student certification request). **Schedule changes may impact your entitlement amount, creating a VA debt you will be responsible to repay.**

You will receive funds based on your enrollment status for each term. VA standards for enrollment status may vary from GV standards. The VA prorates payments for partial months of school.

You are responsible for paying Grand View. Please contact Student Accounts if you need to set up a payment plan.

Rates effective 10-1-2023

Full time =	\$1,488.00 per month
¾ time =	\$ 1176.00 per month
½ time =	\$ 862.00 per month
¼ time =	\$ 372 per month (or the cost of tuition and fees, whichever is less)

Verify current payment rates at:
